Our Military Kids is a 501(c)(3) national nonprofit organization that recognizes the sacrifice of the children of deployed National Guard, deployed Reserve, and post-9/11 combat-injured service members by offering extracurricular activity scholarships that build the child’s confidence, enhance overall family wellness, and strengthen a shared sense of community.

OUR PROGRAM
Among military support groups, Our Military Kids’ unique, year-round program is most trusted. With activity scholarships worth up to $300 each, military children and teens (ages 3–18) are not only able to engage in the extracurricular activity of their choosing, but receive recognition for their service and sacrifice at home. Our Military Kids activities allow the children of our Nation’s service men and women the opportunity to relieve stress, gain new friends and mentors, and stay active during an otherwise difficult time.

All three of my daughters benefited from the structure, community, and friendships built while playing soccer. Knowing they had that support while their dad was deployed helped them stay focused in the classroom.”
