**ABIGAIL, SOCCER**

“It’s nearly impossible to put into words what Our Military Kids has done for my children. My husband returned from two tours in Iraq with a Traumatic Brain Injury and Post Traumatic Stress Disorder.

*When we found out about Our Military Kids, I was thrilled to find help out there for my children.* The grant made available by Our Military Kids has been a saving grace for our family. There is no way we could afford soccer, Abigail’s passion and coping mechanism, without their help. Throughout all of the struggles we have faced as a family, the Our Military Kids program has been a beacon of optimism.”

**2021 Research Results**

Our Military Kids’ 2021 grant recipient families were surveyed in early 2022 about their experience receiving OMK grants in the previous year.
