"I just wanted to thank you from the bottom of my heart for allowing my son to do what he loves to do! Cohen currently plays middle school and travel baseball which does get costly, so this grant helps us out a lot. He wants to be a MLB player when he grows up so we're doing what we can to get all the exposure & training he can to fulfill his dreams! Thank you again for this opportunity, having this program for Veterans, and great people who are able to donate to this awesome program!"

PROGRAM ELIGIBILITY

Children of combat-injured service members and Veterans are eligible to apply for one \$300 activity grant **every six months for a maximum of FIVE (5) grants** per eligible child. This includes **one FLEX grant** that may be used at any point during the parent's recovery. Each grant may be used for the same or different activities during the parent's recovery and requires a separate application.

IN ORDER FOR A CHILD TO RECEIVE A GRANT FROM OUR MILITARY KIDS:

- The child of the service member or Veteran is age 1–18 OR not yet a high school graduate.
- The service member or Veteran has sustained combat-related wounds, illness, or injuries while deployed in support of any post-9/11 overseas contingency operation.
- The service member or Veteran has one **VA individual disability rating of 30% or more (not combined)** in one of the following categories: burns, amputation, mental health, spinal cord injury, traumatic brain injury, PTSD, or one of the presumptive conditions outlined in the PACT Act.
- The service member or Veteran is actively seeking treatment for his/her combat-related injuries and has a case manager or medical practitioner who is able to certify the above information in writing.
